Description

Rene Lalique opalescent inseparables clock with hand painted dail

A really very nice example of this popular clock with hand painted dial of two pairs of budgerigars perched on branches

Moulded mark - R Lalique
Marcilhac page ref 377
Model number 765
Introduced 1926

The condition is excellent with no damage or faults.
The movement does require a service. The clock will tick when gently shaken.
It ticks for a little while then stops.
