REF: 1772

Height: 11 cm (4.3")

Description

A really very nice example of this popular clock with hand painted dial of two pairs of budgerigars perched on branches
The opalescence is nice and the detail crisp
Moulded mark - R lalique and engraved France
Marcilhac page ref 377
Model number 765
Introduced 1926
The condition is very good with no damage or faults
The clock runs and appears to be keeping good time.
although no guarantees can be give for the time keeping of the movement.
