Description

Kiyomizu-Yaki Ashido Japanese studio pottery jug in celadon glaze, circa 1960.

Stoneware jugs are so useful and this one is a really lovely example of a traditional pitcher.

Kiyomizu-Yaki Ashido Japanese studio pottery is renowned for its unique, handcrafted approach. Originating from Kyoto, this pottery features distinctive glazes and intricate designs, reflecting traditional Japanese aesthetics. Known for its artisanal quality and attention to detail, Kiyomizu-Yaki Ashido pottery combines functional elegance with artistic expression, embodying cultural heritage and craftsmanship.
