Width: 35 cm (13.8")

Depth: 35 cm (13.8")

Description

Early 18th century Venetian carved wood and gilt gesso torchère stand in gorgeous original condition, circa 1720.

Torchère stands are tall, elegant pedestals designed to hold lighting fixtures or decorative items like candelabras. Originating in the 17th century, these stands often feature intricate carvings and a sturdy base. They were traditionally used to elevate sources of light, adding both height and grandeur to interior spaces in classical decor.
