

9ct yellow gold and agate ring

£245

REF: 5345

Description

A 9ct yellow gold ring set with an oblong cabochon banded agate.

Banded agate is a variety of chalcedony characterised by its distinctive, parallel bands of colour. These bands, which can range from subtle pastels to vibrant hues, create striking patterns. Valued for its beauty and unique formations, banded agate is used in jewellery and decorative objects, symbolising stability and balance.
