A contemporary 18ct white gold oval pink tourmaline solitaire ring

£995

REF: 4408

Description

A contemporary 18ct white gold oval pink tourmaline solitaire ring.

Tourmaline is a diverse gemstone renowned for its wide range of colours, from vibrant pinks to deep greens and blues. Its crystalline structure allows for various hues within a single stone. Valued for its beauty and durability, tourmaline is used in fine jewellery and is believed to possess healing properties.
