

Heavy handmade silver and gold oval malachite set ring

£125

REF: 3784

Description

Heavy hand made silver and gold oval malachite set ring in the Roman style.

Roman-style rings, popular in ancient Rome, are characterised by their intricate designs and use of gemstones, intaglios, or cameos. Often made of gold or silver, they feature elaborate motifs such as mythological scenes or portraits. These rings symbolised status and personal identity, reflecting the opulence and craftsmanship of Roman jewellery.
