

Pair of Cartier Trinity 18ct three colour gold cufflinks

Sold

Description

Pair of Cartier Trinity 18ct three colour gold cufflinks with changeable lapis lazuli batons, circa 1970.

Cartier Trinity three-colour gold cufflinks feature a distinctive design with interlocking bands of yellow, white, and rose gold. Symbolising unity and harmony, these cufflinks showcase Cartier's craftsmanship and elegance. Their timeless design adds a sophisticated touch to formal attire, reflecting the brand's legacy of luxury and fine jewellery.
