

Victorian love token ring

Sold

Description

A Victorian love token ring in the form of a belt engraved with eternal leaves and turquoise for forget me knots. Hallmarked Birmingham 1860

UK Ring Size: P

Love token rings are cherished symbols of affection and commitment, often exchanged between partners or given as heartfelt gifts. Originating in the Victorian era, they were tokens of devotion and remembrance. Today, they remain timeless expressions of love, celebrated for their sentimental value and ability to encapsulate emotions in a tangible, wearable form that lasts forever.
