

A large 17th century turned brass pestle and mortar, circa 1680

£75

Description

A large 17th century turned brass pestle and mortar, circa 1680.

Brass pestles and mortars, used for grinding and mixing ingredients, are valued for their durability and aesthetic appeal. Originating in ancient civilisations, these tools combine functionality with elegant design. The brass material ensures longevity and resistance to corrosion, making them both practical for culinary use and attractive as decorative items.
