

Lotus bud moulding plaster cast from the antique

£80

REF: 5450

Height: 28 cm (11")

Width: 20 cm (7.9")

Depth: 4 cm (1.6")

Description

Lotus bud moulding plaster cast from the antique.

Making plaster casts of ancient carvings involves carefully applying plaster over the original artwork to create a detailed, three-dimensional replica. Once hardened, the plaster cast captures intricate textures and features, preserving the carving's details. This method allows for study, replication, and display, protecting the original while sharing its historical significance.
