

1940s French 18ct gold tank ring

£1,250

REF: 6110

Description

A 1940s French 18ct gold tank ring set with rubies and diamonds.

Tank rings were popularised in the early 20th century and feature a design inspired by the rugged, industrial look of military tanks. Characterised by their robust, angular shape these rings are both stylish and resilient, making them a unique statement piece.
