

Art Deco diamond full eternity ring

£995

REF: 6575

Description

A 1920s Art Deco diamond full eternity ring in platinum with an engraved design, circa 1925

UK Ring Size: L

Eternity rings symbolise everlasting love, commitment, and unity. Typically featuring a continuous line of identical gemstones encircling the band, they represent infinite devotion and unending connection. Often given on significant milestones, such as anniversaries, births, or as a reaffirmation of love, they hold deep sentimental value.

The unbroken circle signifies eternity, making these rings a timeless expression of enduring affection. Their beauty and symbolism make them a cherished token of lifelong partnership and love.
