

Mid-century yellow 18ct gold retro bracelet

£645

Description

Mid-century yellow 9ct gold retro geometric link bracelet with safety chain, hallmarked Birmingham 1950.

UK hallmarks are official stamps used to guarantee the authenticity and quality of precious metals like gold, silver, and platinum. Instituted in 1300, they include the maker's mark, assay office mark, and a date letter, ensuring that items meet specific standards. Hallmarks provide assurance and traceability in jewellery and silverware.
