

Pair of 1920's screw-back pearl and silver earrings

Sold

Description

Pair of 1920's screw-back pearl and silver earrings.

Pearl earrings have been cherished for centuries, symbolising elegance and wealth. Worn by ancient civilisations, including Greeks and Romans, they gained prominence in the Renaissance and Baroque periods. By the 19th and 20th centuries, pearl earrings became a classic accessory, showcasing timeless beauty and sophistication in various styles.
