

Very large cushion cut amethyst brooch

£595

Description

A very large cushion cut amethyst brooch in a 15ct gold engraved frame, circa 1840.

Large cushion cut amethysts are prized for their deep, rich purple hue and elegant shape. The cushion cut enhances their brilliance with rounded corners and large facets, maximising light reflection. These gemstones are popular in fine jewellery, including rings and necklaces, offering a striking combination of sophistication and vibrant colour.
