

Late Victorian Holophane light

Sold

REF: 6284

Height: 25 cm (9.8")

Diameter: 29 cm (11.4")

Description

A late Victorian Holophane light with ribbed glass and original brass gallery circa 1890. Rewired with white twisted fabric flex.

The original gallery is marked 'Holophane' A secondary hook has been fixed inside the gallery to allow a chain to be used for safe and simple hanging.

Holophane is a renowned manufacturer of lighting solutions, known for its prismatic glass technology that enhances light distribution and efficiency. Established in London in 1898, Holophane lights are prized for durability, classic design, and superior illumination quality.

Rewired and PAT tested.

As with all electrical items we recommend that they are installed by a qualified electrician.
