

LANGFORDS

Antique & Contemporary Silver

705 Naval Air Squadron
Langfords

Description

Another silver centrepiece for Her Majesty's Forces, specifically 705 Naval Air Squadron. Here we fashioned an accurate model of the Aerospatiale Squirrel set against a textured ground and mounted on an ebonised base with inscription plaques and a cast and detailed emblem.

This is an example of a bespoke commission. Get in touch to discuss your own ideas; we can make anything.
