

REF: 10115

Width: 305 mm (12.01")

Description

Exclusive to Langfords, a sterling silver conductor's baton featuring a hollow silver handle in a burgundy leather and velvet fitted presentation case. The baton handle is suitable for engraving and there is a recessed space inside the case to house a presentation plaque. The baton is for presentation purposes; it is of a substantial weight and would be too heavy for a conductor to use for any length of time. The handle is suitable for engraving
