REF: 5663

Height: 25 mm (0.98")

Diameter: 150 mm (5.91")

Description

Pair of highly decorative antique silver-plated wine bottle coasters with handmade wirework frames and a rope pattern border. They were made by Atkin Brothers which was known for producing goods of an exceptional quality, and the pair of coasters was retailed by Leuchars & Son, 2 Rue de la Paix, Paris.

Given the intricate basket weave, the coasters have been lacquered to eliminate the need for polishing.
