£3,250

REF: 8505

Height: 130 mm (5.12")

Diameter: 72 mm (2.83")

Weight: 1166 g

Description

Set of eight 20th century silver wine or water goblets created in the George III style and featuring simple, plain round bodies on spreading circular bases. Each goblet's interior is nicely gilded, and the simplicity of these silver goblets lends them to being personalised with engraving.

The clean profile of these goblets means they will fit seamlessly into any table setting - traditional or modern.
