William Comyns

£12,800

REF: 2693

Height: 90 mm (3.54")

Width: 425 mm (16.73")

Depth: 220 mm (8.66")

Weight: 3580 g

Description

Marvellous quality silver caviar dish in the form of a lobster. The accurate, cast and hand chased model has a removable cover that reveals a gilded caviar dish. There is room beneath for a little crushed ice. The large pincer claws are articulated and the model is accurate in every way - the model maker having used a real lobster to make the pattern.

This articulated silver lobster is not available to purchase online. Please get in touch if you would like more information or are interested to buy it.
