Antique silver biscuit barrel
Elkington & Co

£1,550

REF: 8398

Height: 185 mm (7.28")

Diameter: 130 mm (5.12")

Weight: 705 g

Description

Classic, hand raised, silver biscuit box hand raised in an octagonal bellied form and covered with a hinged lid surmounted by a silver finial. The biscuit barrel is fitted with a silver swing handle and is suitably sturdy and wonderfully practical.

Although originally created to hold and store biscuits, it has myriad other storage uses: sweets, dried fruit and nuts, teabags, coffee beans and one client suggested dog treats!
