Description

Four-piece, late period, Art Deco style silver tea set, comprising teapot, hot water jug (which can also be used as a coffee pot), milk jug and sugar bowl. The clean lines of this silver tea set are simple and elegant, and featuring stepped covers, winged handles and chevron decorations give the set its very distinctive Art Deco style.

Dimensions shown are for the coffee pot.

Art Deco was the popular design style spreading across Europe in the 1920s and 1930s and characterised especially by sleek geometric or stylised forms. It represented luxury, glamour, exuberance, and faith in social and technological progress.
