

LANGFORDS

Antique & Contemporary Silver

16" Victorian silver salver

Barnard Brothers

Sold

REF: 8782

Height: 407 mm (16.02")

Description

Large antique silver salver made during the mid-Victorian period. The surface is hand engraved with sections of starbursts surrounded by foliage within which are floral and berry garlands and medallions. The perimeter is decorated with an applied bead pattern mount and the salver rests on four cast openwork scroll pattern supports.
