Antique silver-plated wine bottle holder

William Hutton & Sons

£285

REF: 3895

Height: 260 mm (10.24")

Description

This handsome, late-Victorian, silver-plated wine bottle holder and pourer is the perfect accessory for anyone who enjoys and serves wine. The wine bottles sits on a circular base and the neck-brace or collar plus the rear-fastening base clamp together to hold almost any 75cl bottle of wine securely in place. The silver-plated base also serves as a bottle coaster, keeping any dribbles of red wine off the table or tablecloth.

Cheers!
