Pair of George III pierced silver wine coasters

Edward Lowe

£1,650

REF: 8733

Height: 33 mm (1.3")

Diameter: 120 mm (4.72")

Description

Pair of mid-18th-century, pierced silver wine bottle or decanter coasters fitted with their original wood bases and central decorative bone buttons. The sides are pierced with a bands of geometric patterns surmounted with an applied decorative French gadroon border.

The simplicity and elegance of their design, means this stylish pair of coasters are versatile and will complement many table settings. They will even hold magnum size wine bottles.
