Do you have a doubt of the authenticity of your luxury handbag?

For 59€ Opulence Luxury & Vintage provides an authentication service in our shop at 107 rue Reaumur (75002) for Chanel, Louis Vuitton, Gucci bags and some of the vintage models of Heres (excluding Birkin, Kelly, HAC or Constance).

For accuracy, we will ask to keep the bag in our store or a period of 24hours.

To increase precision, and to minimize our marge of error, we use a second external guarantee system. All items will be tested afterwards by Entrupy's technology providing a physical A6 certificate for your item (the certificate will also be sent by mail to you)

Please note, that if the handbag is proven to be fake or not from original stores, nor refund will be provided.
